PUBLICATIONS NEWS FOR NOVEMBER 1981

During November the ABS issued an Information Paper on the 1981 Census, three new publications and three publications with significant changes. Details of these issues are:

INFORMATION PAPER : CENSUS OF POPULATION AND HOUSING, 1981 - DATA RELEASE PLANS (2142.0) giving a broad outline of the many data and data aids that will be available from the 1981 Census. The Information Paper describes different forms in which the information will be available and contains a list of the publications to be released, the data that will be available on magnetic tape and microfiche and the data aids that will be produced, such as further Information Papers and maps. Order forms for the various publications and Information Papers are also included.

AUSTRALIAN NATIONAL ACCOUNTS : INPUT-OUTPUT TABLES - COMMODITY DETAILS, 1974-75 (5215.0) providing detailed information about the 1974-75 Input-Output Commodity Classification (IOCC) and the value of Australian production and imports for over 1,000 commodities classified to the industry from which each originated, such as agriculture, manufacturing, business services and personal services. This publication complements Australian National Accounts : Input-Output Tables (5209.0) issued by the ABS in September 1981.

ROAD TRAFFIC ACCIDENTS INVOLVING CASUALTIES (ADMISSIONS TO HOSPITALS), AUSTRALIA, MARCH TO DECEMBER 1980 (9405.0) providing detailed national data on road traffic accidents which resulted in deaths or admissions to hospitals. The statistics in this publication are based on new definitions and are not comparable to the data previously published in Road Traffic Accidents Involving Casualties, Australia (9403.0). The final issue of the latter publication was released on 11 June 1980 and provided data for the June Quarter 1978.

BUILDING APPROVALS : SMALL AREA STATISTICS, QUEENSLAND, 1980-81 (8709.3) containing statistics showing building approvals for houses, other dwellings, alterations and additions to dwellings, and other building for each suburb of Brisbane city, local authority area, statistical division, and statistical district.

The September quarter 1981 issue of **BALANCE OF PAYMENTS, AUSTRALIA** (5302.0), introducing for the first time graphs of principal balance of payments aggregates. The four graphs show movement in imports and exports, net apparent capital inflow and balance on current account, balance of trade and net invisibles, and net official monetary movements for the period March quarter 1977 to September quarter 1981.

The June quarter 1981 issue of **BUILDING ACTIVITY, AUSTRALIA (PRELIMINARY)** (8704.0) containing an Appendix outlining the reasons for the significant revisions to data released since the introduction of the new Building Activity Survey. The results of the new survey were first published for the September quarter 1980. The Appendix also indicates what steps are being taken by the ABS in order to overcome certain problems being experienced with the changed approach to measuring building activity in Australia.

The September 1981 issue of **PRICE INDEX OF MATERIALS USED IN BUILDING OTHER THAN HOUSE BUILDING, SIX STATE CAPITAL CITIES** (6407.0) containing an Appendix on the effect of the sales tax increases on this index.
